

Prairie State Life
1/24/09

Meeting opened by Sue Koldan at 1 PM.
Pledge of allegiance

Business:

1. Linda introduced Kevin as being assigned full time to Huntley.
2. She also told us that MECA will try to increase their recruiting to increase the number of classes.

There will be a special meeting next Sat (1/31/09) at 11 am to talk about recruiting methods.

3. Linda introduced our guest artist, Paul Schaub.
4. Sue K told us we have \$49.75 in the Kitty. The money will be used for some charities, some items for the club, etc.
5. The LIFE roster was sent around again for all to fill in their information if they hadn't done so yet.
6. IMPORTANT!!!! All USB drive users!!!! Many USB drives now come with information on them...advertising...games...etc.

**Be sure to FORMAT THE USB STICK BEFORE
PUTTING IT IN YOUR ORGAN**

Everything MUST be erased. If unsure...bring it to the store and have Kevin or Linda make sure that it is blank.

If you put it in the organ...and the organ tries to read the info on the stick....it will SEVERELY damage the organ.

Lowrey will be producing it's own sticks in the future.

7. Paul Schaub demonstrated the new Holiday Classic a phenomenal upgrade for the Premier.

8. A wonderful concert and lessons were performed by Paul. He was very good...and we all enjoyed his talent.

Respectfully submitted:

Sue Glaze, Recorder.
